### Join us in Diversity of Clothing Manufacturing

"Please join the IACDE community during this magnificent Convention in the overwhelming city of Montreal and soak up inspiring presentations, discussions and key-note speeches. See a fashion show with our partners from the Innovation Marketplace and enjoy fruitful networking possibilities."

### Alan Abramowicz, Vice-President Executives IACDE

"Welcome and Bienvenue to Montreal. I am very excited and proud that we are hosting the IACDE Convention in my home town. As visitors, you will experience our european culture within a North American metropolitan city. There is something special for everyone. I promise that this year's convention will once again be inspiring, educational and a great time for all. I am truly looking forward to seeing each of you very soon. Travel safely."

### Ulrich Scherbel, Treasurer IACDE

"For over a century, Montreal has been the industrial and financial centre of Canada. The variety of buildings includes factories, warehouses, retail stores, mills, refineries and universities, representing the past and the future of the City. Both, Clothing Manufacturing and IACDE have a long and rich tradition in Montreal. Let us explore together the diversity of garment making here! See you soon!"

### Silvia Schoening, General Secretary IACDE

"When you arrive at the Hyatt Regency Hotel, head to the main Lobby on level 6 to check in! If you pre-registered for the convention, your name badge with holder and your IACDE booklet with the final program will be available for you at the IACDE registration desk on Thursday afternoon. Look forward to seeing you there."
